

## Care Medical Sustains Strong Growth with 30% Revenue Increase to SAR 1.2 billion and 17% Rise in Net Profit in 9M 2025

**Riyadh, 2nd November 2025**

Care Medical (Care, Tadawul: 4005), a leading healthcare provider based in Riyadh, Kingdom of Saudi Arabia, announced today its results for the quarter and nine-month period ended 30 September 2025, reporting revenues of SAR 1.2 billion in 9M 2025, up by 30% year-on-year. The Company maintained its strong growth trajectory, supported by higher patient inflows, expanded capacity, and solid operational execution across its hospital network.

Care Medical sustained its strong growth momentum, building on the solid results achieved in the first half of the year. The Company delivered record revenue performance during the third quarter, underpinned by a diversified revenue base and consistent growth across all facilities and segments. Legacy hospitals continued to perform strongly, while the integration of Al Salam Hospital contributed positively to overall expansion. Growth was further driven by higher patient volumes and increased demand across all payer segments, with GOSI remaining the primary contributor to revenue growth, supported by notable contributions from the Ministry of Health, key government entities, and the insurance segment.

This positive momentum translated into strong profitability and margin improvements. During the nine-month period, EBITDA grew 34% year-on-year to SAR 350 million, with a margin of 29.3%, while net profit rose 17% year-on-year to SAR 248 million, delivering a strong margin of 20.7%. These results underscore Care Medical's disciplined execution of its growth strategy and its commitment to driving sustainable profitability.

**Dr. Abdulaziz bin Saleh Alobaid, Chief Executive Officer of Care Medical, stated:** "As we move through the second half of 2025, we are pleased with Care Medical's continued momentum and record operational performance. Our results for the nine-month period validate the strength of our growth strategy, which remains focused on driving sustainable expansion across our established facilities while effectively integrating new assets to create additional value.

We are seeing broad-based growth across our network, supported by solid patient inflows, rising demand from key government entities and insurance channels. This reinforces the success of our diversification strategy and our ability to deliver consistent, high-quality care at scale."
